

U.S. Congressional Districts Proposed Plan PLAN C2333

The map illustrates the proposed U.S. Congressional Districts for Texas under Plan C2333. The districts are numbered 1 through 38, each assigned a specific color. The map also shows the boundaries and names of all Texas counties. A legend in the bottom right corner clarifies that the white outlines represent counties and the colored areas represent the proposed districts.

Legend:

- COUNTIES (indicated by white outlines)
- PLAN C2333 (indicated by colored areas)
