The American Community Survey provided estimated citizen voting age population (CVAP) data at the block group level in a Special Tabulation. All block groups with more than 50% of the population in a district are included in the analysis.

The percent for each CVAP population category is that group's CVAP divided by the CVAP total.

Numbers in parentheses are margins of error at 90% confidence level.

The American Community Survey provided estimated citizen voting age population (CVAP) data at the block group level in a Special Tabulation. All block groups with more than 50% of the population in a district are included in the analysis.

MOE = Margin of error at 90% confidence level

% HVAP = Hispanic voting age population / voting age population

% HCVAP = Hispanic citizen voting age population / citizen voting age population

SSVR = Spanish surname voter registration

* = The district in the first plan is identical to the district in the second plan.
Texas Legislative Council reports prior to 2008 generally do not include results for third-party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

* = The district in the first plan is identical to the district in the second plan.
Texas Legislative Council reports prior to 2008 generally do not include results for third-party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

* = The district in the first plan is identical to the district in the second plan.
Texas Legislative Council reports prior to 2008 generally do not include results for third-party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

* = The district in the first plan is identical to the district in the second plan.
Texas Legislative Council reports prior to 2008 generally do not include results for third-party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.
